Robert Andres  
(Signature of Traveler)

Dear Mr. Andres,

RE+ Events is honored to have you speaking at [RE+ 2022](#). Below is an official invitation to participate.

RE+ is more than the largest solar, storage, and renewable energy conference and trade show in North America, it's also the premier event for the comprehensive clean energy industry, with an audience of nearly 20,000 clean energy professionals from around the world.

RE+ is the essential, entrepreneurial hub for distributed & utility-scale energy companies and their customers involved in the generation, storage, and transmission & distribution of electricity - from emerging new players to energy industry leaders. On the heels of the Senate's historic passage of the Inflation Reduction Act, our audience would benefit greatly from your perspective and expertise on this landmark legislation and what comes next for an equitable energy transition.

RE+ will take place September 19-22 in sunny Anaheim, CA. **We would be thrilled to have you address our conference attendees in person on the morning of Tuesday, September 20 as part of a small panel discussion. Our team would also be glad to discuss additional opportunities throughout the conference and other co-located events that would maximize your trip to California.**

If you have any other questions about the event, please contact Kathy Schott at [kschott@re-plus.com](mailto:kschott@re-plus.com) or

Sincerely,

Kathy Schott  
Director of Education
